LES. BETTINSON - "THIS IS YOUR R.L. LIFE"

During the 1950-51 season word had got to the club of the 16 year old school-boy with a reputation for running who could play rugby into the bargain. An invitation from the club to play was taken up. The boy from Queen Street whose parents had a butchers shop, was to cut his teeth in the R.L. world. His father Jim, had been a boxer in his younger days so it was no surprise that Les was encouraged to participate in sport. Leaving school for National Service he was to join the Military Police (Writing that hurts), in their Mounted Platoon. Very little rugby in the Red Caps was available so he was volunteered to have a go at athletics in the Pentathlon. His 2 years Army time complete saw him off to Carnegie College at Leeds and return to rugby. Occasionally he would play for our cousins in the other code at Moor Road, when on holidays which led him to gaining Cumberland and Westmorland R.U. County honours, no mean feat then or now for a Millomite. By this time Gus Risman was Manager at Salford and he signed him after a County R.U. match in Yorkshire for £750. which was a lot of money then. After 350 first team games, some as Captain, top try scorer in 1963/64 with 11 tries and honours with Cumberland R.L. County side, he hung the boots up after 12 seasons. From 1969-73, Les was Assistant coach at Salford under Cliff Evans in '75 he was Coach which lasted until 1978 during which time Salford were 1st. Division winners twice, B.B.C. Floodlight Competition winners & Lancashire Cup winners once & runners-up twice. Resigning the coaching position saw him made a Salford Director & an entry into R.L. administration, firstly as Salford representative on the R.L. Council then in 1985 Chairman of the R.L. Coaching Committee. At this time the R.L. Council decided a strategy was needed to get on even terms with the Aussies & New Zealanders at International playing levels and Les was responsible for innovations to training and selection for future test series, a post he still holds. In 1987/88 he was appointed R.L. Council Vice-Chairman. Now in 1988 Les is the President of the Rugby League. I must add he is no stranger to the Club being a Life-member for some time. The measure of the man is he found time to make presentations at a recent Annual for the mini-rugby section. Married to Frances (Leake)

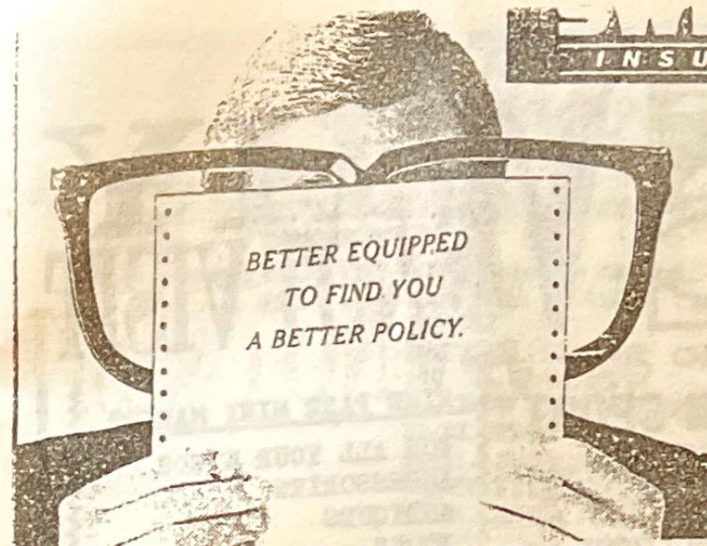

who hails from Ravenglass, they have a son Philip who has played for Cumbria R.U. and a daughter Helen who are both P.E. Teachers. Les is a Senior Schools Inspector for Stockport Education Authority. Selthouse Schoolboy to Sydney Tour Manager - MAGIC.

In the 113 years history, Millom R.L.F.C. have long been recognised as a leading name in Rugby League. Being the oldest club in the world, Millom have a few records under their belt, a few being: the only club to field 12 players for the Cumberland team who played Yorkshire on 5 Feb. 1889 at Hunstlet, the only club to field 5 players to play for Great Britain against Papua New Guinea in season 1979/80 at Hull, and the only club to play a record 8 times in the Rugby League Challenge Cup.

Over 20 players have been awarded full international honours since 1945 playing over 50 internationals between them, and a numerous amount have played for both county and inter-league teams.

1978/79 saw a Cumbria first for Millom, when Peter Knowles was awarded the B.A.R.L.A. Player of the Year Award and last season saw yet another county first when Millom became the first Cumbria club to play in the B.A.R.L.A. National Trophy final at Headingley on 25 May 1986, unfortunately going down eventually to Mysons R.L.F.C. of Hull.

November 86 saw Millom at home to Wakefield Trinity in the John Player Trophy, before a large crowd. Millom gave Trinity a few scares before eventually going down by 4-18.

Report on Last Week's Game

MILLOM 10 V 24 KELLS.

For the consecutive season Kells halted Milloms challenge for the Cumbria Cup. Millom started well, having ground advantage, and hooker Cummings scored after 7 minutes to lead (4-0) but a dubious penalty award 5 minutes later saw Weir kick the goal (4-2). A controversial try after 20 minutes saw Kells Smith kick through and Milloms Moore touch down over his own line but the following up winger Martin dropped on the ball and Whitehaven referee Nicholson awarded the try (4-8). A further penalty on the half hour saw Millom further behind at halftime by 4-10. Yet another penalty in front of the posts saw Kells still further ahead (4-12) early in the second half, but good handling and support allowed the visitors to score another try through Weir converted (4-24) but to Milloms credit they managed to salvage some pride when Cummings scored in the 76 minute, after good work by Robinson and O'Brien. Cummings converted his own try to see the final score 10-24.
